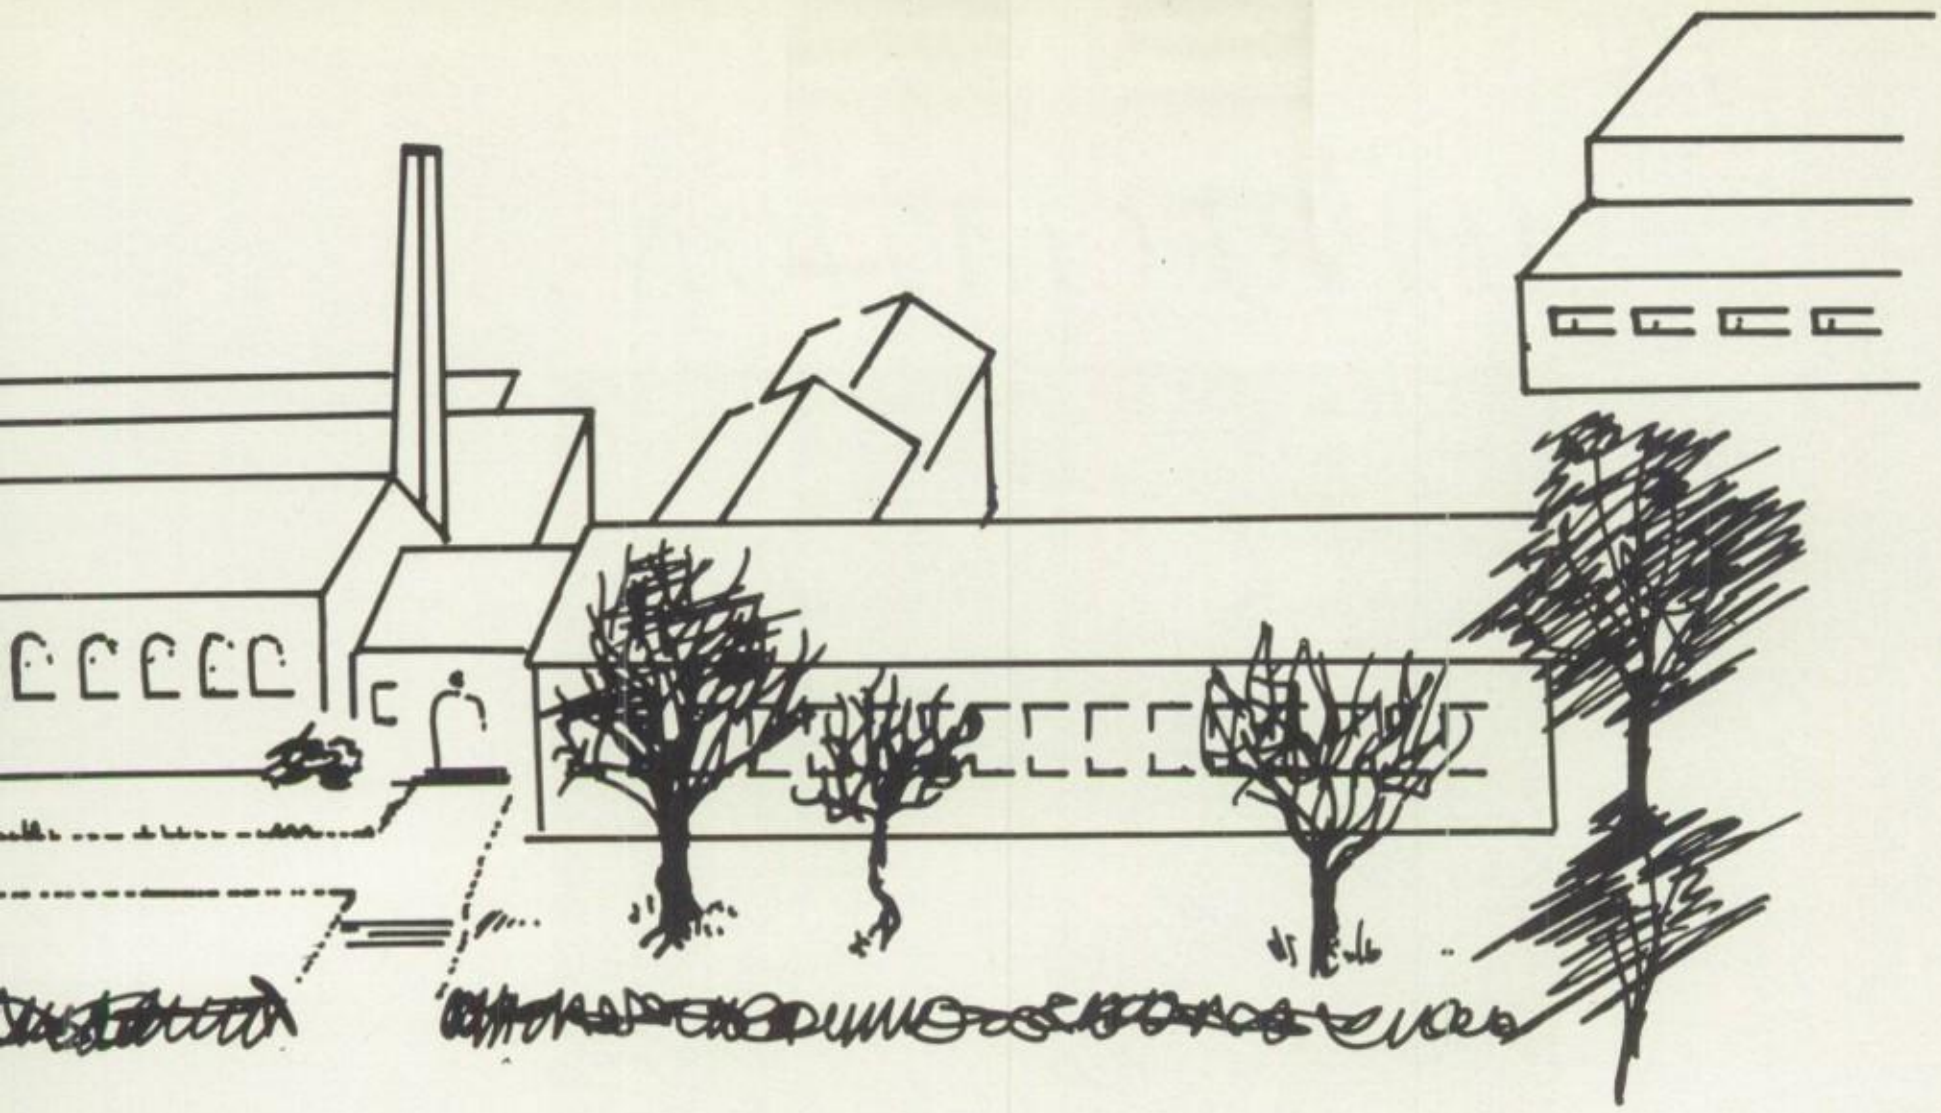
FOREWORD

Within these walls challenges are confronted and conquered, characters are molded and remolded, destinies are discovered, misplaced, and rediscovered - while the wheel of our nation's future fortunes awaits the cog to be inevitably supplied by this institution.

We of the Appalachian Staff have attempted to present herein a comprehensive picture of the forces within Maryville High School which have had such an undeniable effect upon our lives. For three years these forces have shaped and reshaped, turning out a final product better prepared to meet the challenges of the future.



What if I have eyes that do not see

This gaily colored world of forms and show;

What if in the dark I always go,

My footsteps led by sounds and memory;

What if autumn never dressed a tree

In golden brown for me to love and know;

And what if the sunset always hides its glow,

And morning's dawn does not unveil to me:

My father gave me strength of soul and mind;

My mother taught me how to laugh and pray;

My ears and nose and fingers are designed

To bring me knowledge, beauty, work, and play

I do not envy those who see the light,

For I know my way and have no fear of night.

IN APPRECIATION . . .

. . . for her untiring and unselfish service to Maryville High School, we, the Senior Class, present the 1964 APPALACHIAN in honor of Mrs. Paul Beach. Mrs. Beach retired last May, but her influence will always be felt at Maryville High School. For many years, the RED AND BLACK and the APPALACHIAN were published under her skillful guidance. Although she ably directed many extracurricular activities, all of us who were privileged to be in her classes remember her first for her superior ability as a history teacher. Her power as a teacher lay in exceptional knowledge of subject matter combined with a sincere belief in what she taught. To her students she was able to impart a heartfelt love and deep understanding of freedom and democracy. The Senior Class of 1964 proudly presents this annual as a small tribute to Mrs. Paul Beach.

KEY CLUB

The MHS Key Club, already on the International record as one of the outstanding clubs of its size in all Key Club-bing, tries in '63-'64 to be of service to its school and to its community. Its twenty-two members, selected by the club for their outstanding qualities of citizenship and initiative, form an organization unique in many ways. Sponsored jointly by the school and by the Maryville Kiwanis Club, its aims include the development within its members of the same characteristics that are requisite for membership. The Key Club's service program not only provides the school with many services which make it a more pleasant place for students and teachers alike, but it goes into the community to undertake various projects for the benefit of the entire county. Sponsorship of the Basketball Queen Contest, work in the March of Dimes, a program of extensive Vocational Guidance, preparation of school calendars and student directories, collection of useful articles for the needy of the area, and the awarding of limited college scholarships to deserving MHS seniors are but a few of the services performed by the '63-'64 Key Club.

The Library Club's service to the student body is a very important one, but one which is often unnoticed and unappreciated. If it were not for the valuable assistance of these unselfish students, the student body's search for parallel reading materials; periodicals; and required novels, short stories, and plays would be an endless one. The Library Club under Miss Ott's respected guidance and training is a group for which the student body should be sincerely thankful.

The National Forensic League, sponsored by Mrs. Dick Cole, recognizes the importance of speech in the modern world. In the future, when decisions have to be made that could well alter the course of history, it will be necessary that men know and understand the power and logic which can be exploited in words. With this in mind, the National Forensic League challenges its members with profound questions which are to be weighed and pondered and then debated.

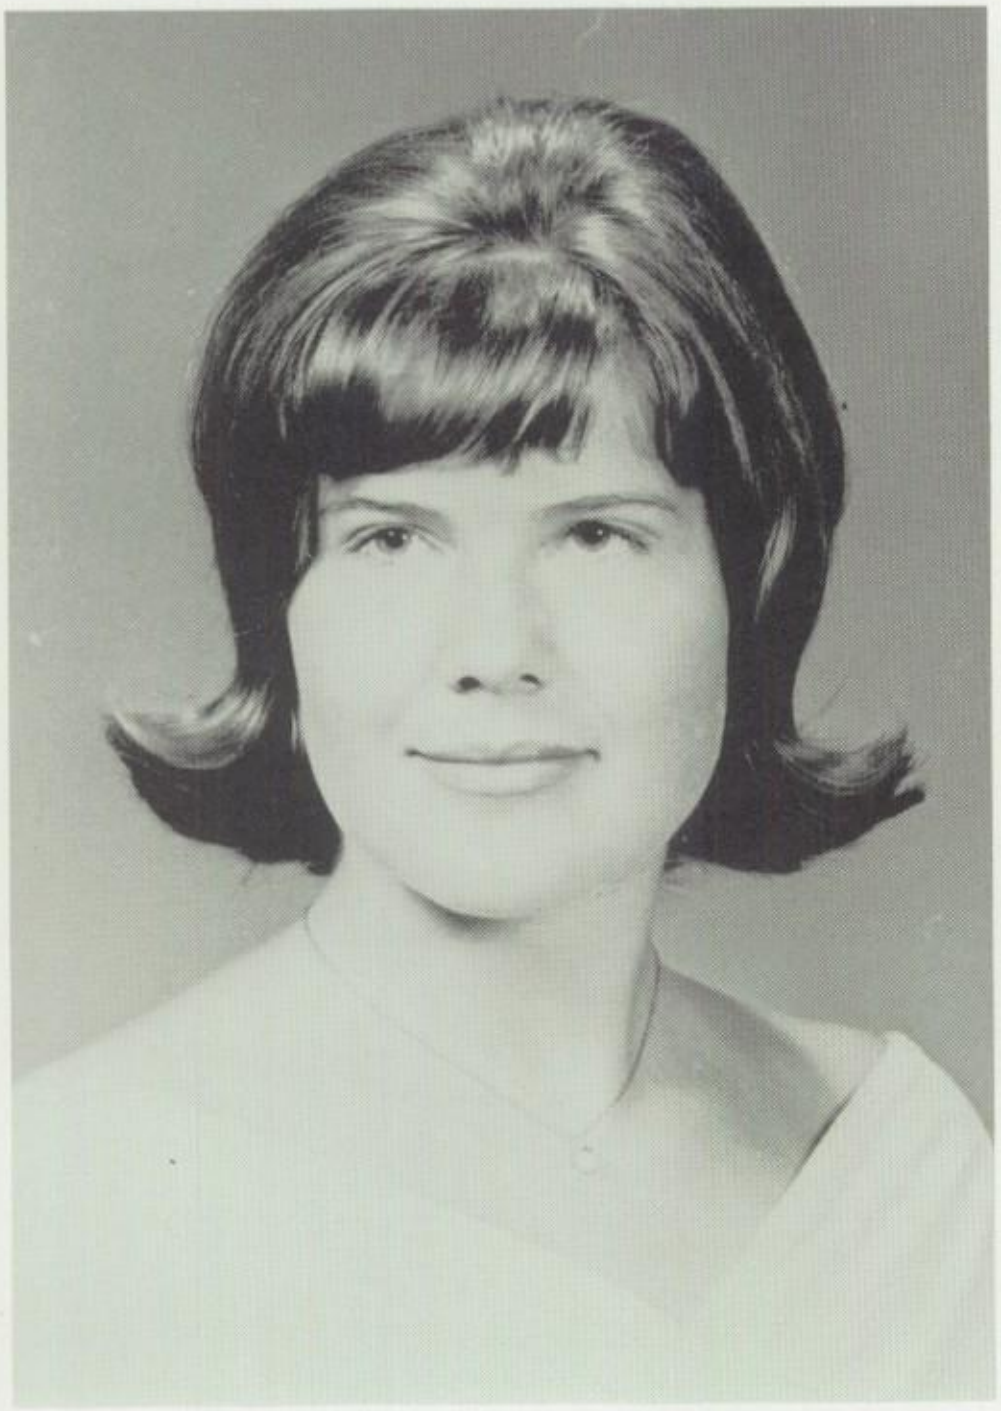
FOREIGN EXCHANGE STUDENT



Miss Inger Anderson arrived in the United States in late August and in September became Maryville High School's first foreign exchange student. In Maryville, Inger has stayed with the S. D. Rogers. In Denmark, Inger lives in the town of Hasleveg, forty miles south of Copenhagen, the capital. Inger's family numbers seven. She has two sisters and two brothers. As for the future, Inger plans to either study law at the University of Copenhagen or be an interpreter.

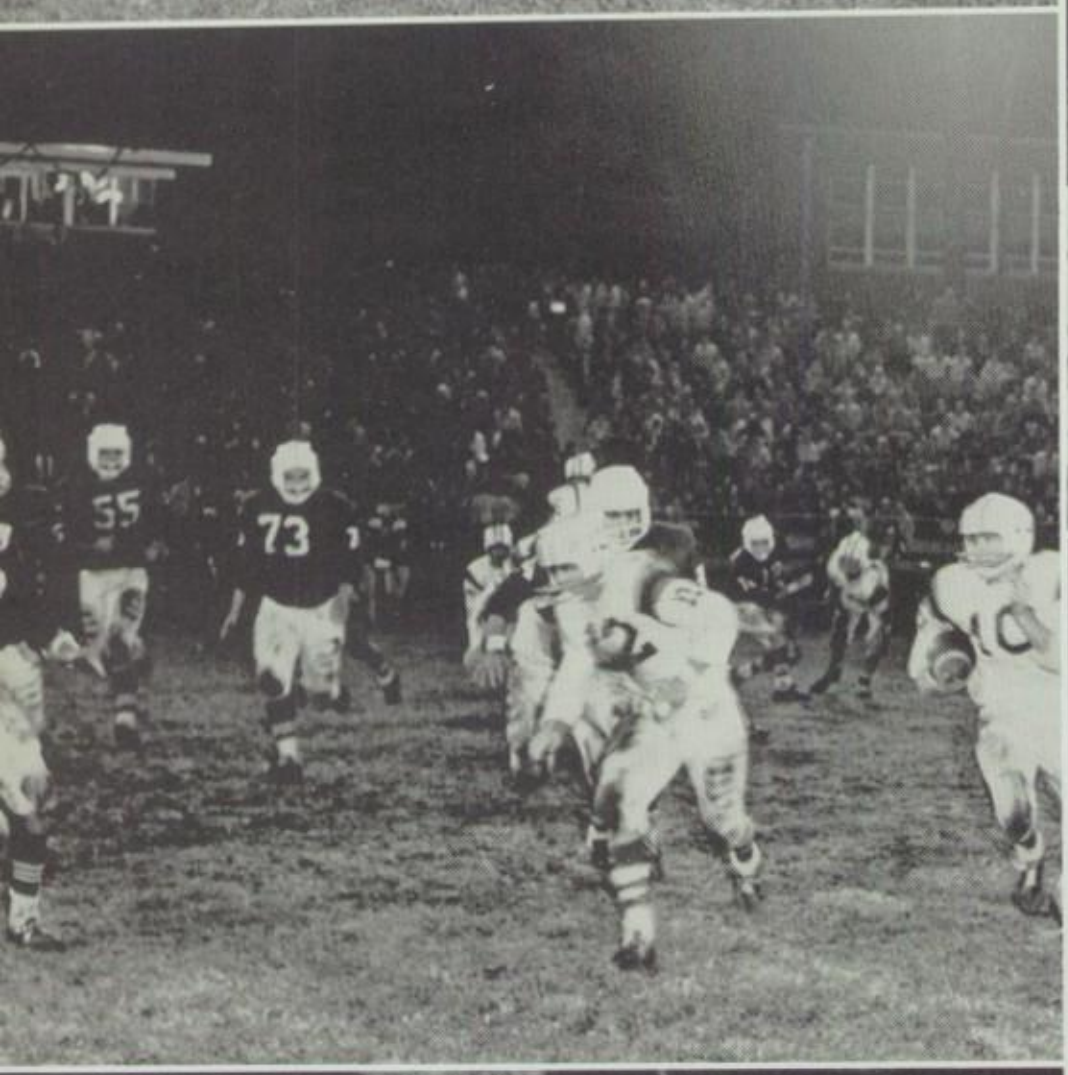
Inger admits to being somewhat surprised at American ways. American emphasis on sports, the difficulty of Maryville High School, the social mindedness of American youths, the small amount of time American youths spend at home, southern hospitality and friendliness are among Inger's surprises.

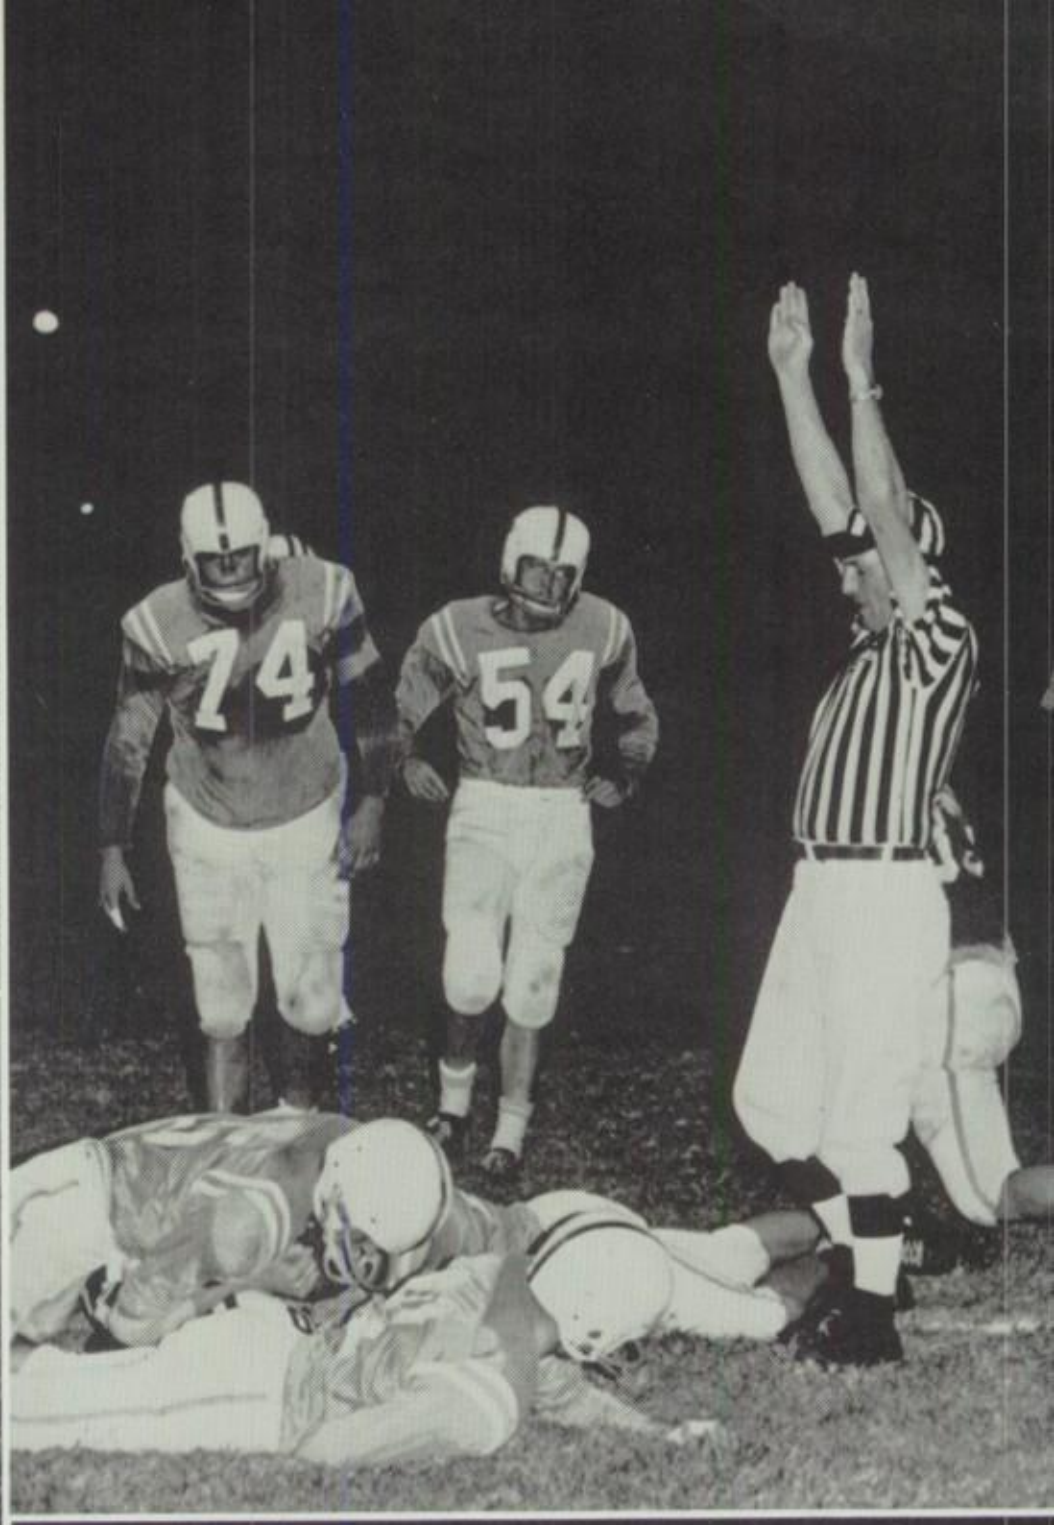
She says, however, that this has been a wonderful year for her and she hopes to return to the United States someday.

Inger is surprised with a Christmas telephone call home.

Inger is presented with a 1964 class ring.

ATHLETICS





DON RAWLS, COACH OF THE YEAR

Don Rawls, Maryville High School head football coach, received the Blount County Coach of the Year Award at the All-Blount County Banquet on November 11.

Coach Rawls, who piloted the Red Rebels to the Big Four Conference title this past season, received the silver cup award from Steve Corbett of Radio Station WGAP.

This year the Rebels compiled a 5-4 record under Rawls' first year as head coach. The only losses were to Sevier County, Loudon, Morristown, and Knox Fulton, state powerhouses.

REBELS WIN BIG FOUR

November 2 will be remembered by MHS'ers as the night the Red Rebels invaded the Aluminum Bowl and beat the Alcoa Tornadoes for the Big Four Championship.

John Moscript scored the Rebels' first touchdown on a two-yard plunge. On the ensuing kickoff, Chester Cochran electrified the fans with a ninety yard return to knot the score 6-6. Both teams played evenly for the next twenty-two minutes and seven seconds. Then with 1:53 left on the clock, the Rebels took over the ball and scored a touchdown on a Gibbs-Hutson pass. Randy Tinsley's Pat made the score 13-6, and with only five seconds remaining, Alcoa could do little but wait for the clock to run out. At left are coaches Don Rawls and Ted Wilson holding the Big Four Trophy.

THE BEGINNINGS OF GOVERNMENT IN THE UNITED STATES

The roots of American government reach deep into the past. The system of government did not suddenly spring into being at the time of some political eruption, and it was not pulled out of thin air by the

EXTEND OUR THANKS TO YOU . . .

OUR SPONSORS: Mr. Roy Roberts, Mrs. Frances Volk, Mr. William Largen, Mrs. Robert Sadler, and Mr. Emerson Watson.

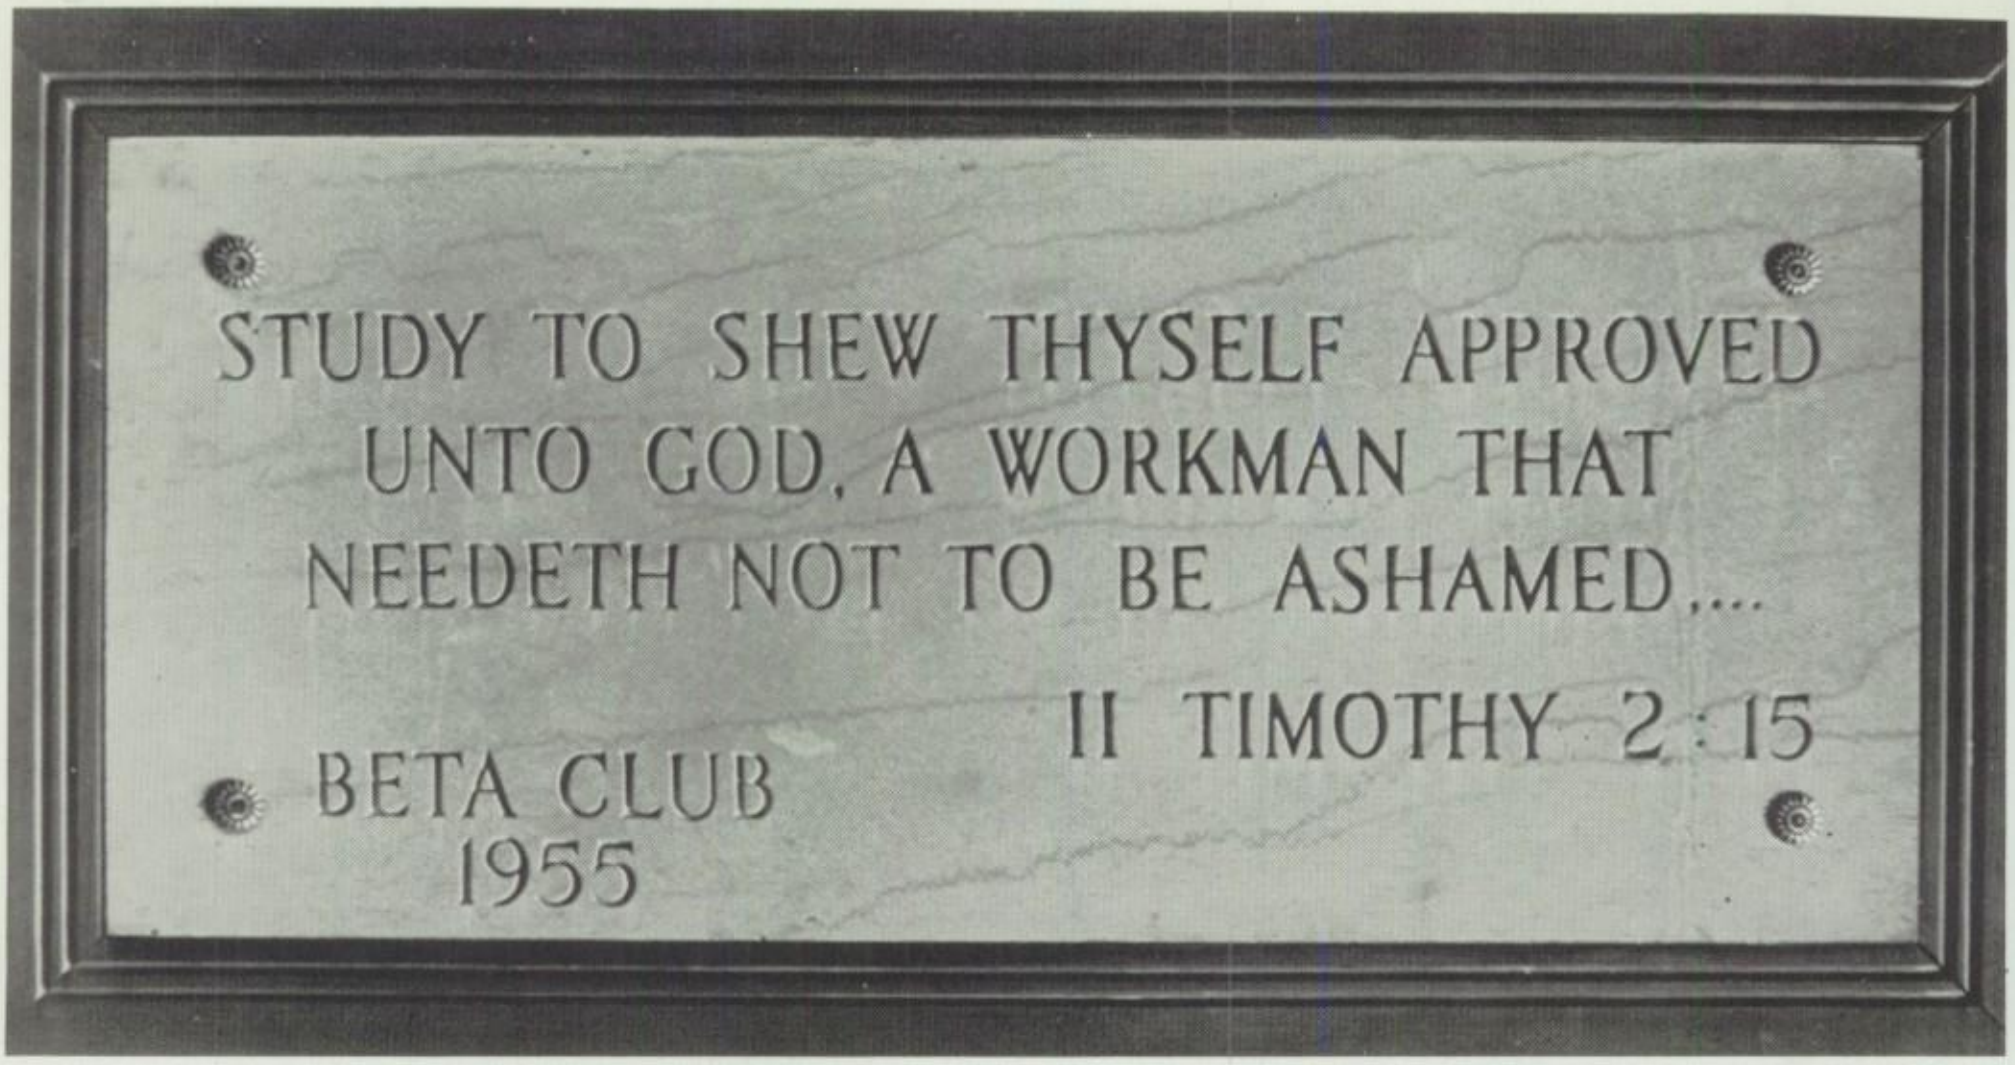
OUR PHOTOGRAPHERS: Mr. and Mrs. Frank Clark and Mr. James Cummings.

Mr. Dave Kinton, our understanding TPC Representative.

The local merchants, our loyal supporters.

Mr. James Cummings, our over-worked advisor.

FOR MAKING POSSIBLE
THIS YEARBOOK.



He has achieved success who has lived well, laughed often, and loved much; who has gained the respect of intelligent men and the love of little children; who has filled his niche and accomplished his task; who has left the world better than he found it, whether by an improved poppy, a perfect poem, or a rescued soul; who has never lacked appreciation of earth's beauty or failed to express it; who has always looked for the best in others and given the best he had; whose life was an inspiration; whose memory a benediction.

ALMA MATER

Old MHS we'll always love you,
As did our schoolmates gone before;
Upon your alters lay our trophies,
Of fame and honor evermore.
We're proud of everything you stand for;
And after school days have gone by,
The memories of these days we'll cherish,
At dear old Maryville High.
